FREQUENTLY ASKED QUESTIONS:

CORKAGE | £12/BOTTLE

We understand that you may wish to supply your favourite wine on your event day. We are more than happy to store, chill and serve wine as required and only charge corkage on any bottles that are opened.

EXTERNAL CATERING

If you would like to hire external caterers for your event, please ask them to contact us for facility specifications. Please note that all external caterers must be registered food businesses with relevant insurance.

DECORATIONS*

Bespoke decoration is often an important part of an event and we are happy to discuss aesthetic options with you. Please note that we are an environmentally conscious venue and do not allow any single-use plastic decorations on site (this includes florist Oasis, confetti and balloons). All fixings must be checked prior to installation. All decorations must be dismantled the same evening. Alternatively, we can arrange to do this on your behalf.

We are a licensed venue so can have live music, recorded music and alcohol sales until 11pm. We reserve the right to sell alcohol and follow the 'Challenge 25' policy for both private and public events. Please note that we do not allow DJs or live music after 10pm.

* PLEASE BE TIME CONSCIOUS: DEPENDING ON YOUR HIRE CHOICE, THERE MAY NOT BE TIME TO DECORATE THE VENUE.
